Laissez-les bons temps roulez with your favorite
French Fiddlers!

Starring our local favorite....Collette Fournier, a classically trained violinist along with her musical accompanists playing the harmonica, guitar and piano as well as a caller of quadrilles.

This group of Franco-Americans play traditional French Canadian and Nova Scotian fiddler tunes for entertainment and dancing. They also add some French vocals to the mix, with French chansons à répondre, along with playing the popular traditional spoons joined with the romping of feet.

These fiddlers are sure to engage your frolicking spirit so make sure to put on your dancing shoes as you prepare to kick up your heels and let down your hair for an enjoyable family day.
